

Liability Insurance

All students enrolled in the Athletic Training Major at Michigan State are required to participate in the blanket liability insurance policy maintained through the HPSO (Healthcare Providers Service Organization). The cost of this policy for 2006 - 2007 is **\$29 per student** and **must be paid no later than the 1st week of the fall semester**. The policy provides \$1 million per incident / \$3 million lifetime coverage for all **assigned** clinical activities that are part of your educational program. (www.hpso.com).
