

Program Admission v. University Admission

Admission to the Athletic Training Major is separate from admission to Michigan State University. As a prospective student, you must first [apply to Michigan State University \(www.msu.edu\)](http://www.msu.edu) and be accepted by the University.

- When you apply for admission to MSU, you should select "Athletic Training" as your intended major. If accepted by MSU, you will be admitted to the College of Education as a Pre-Athletic Training major.
- After admission to the University, you will complete specific pre-requisite courses as outlined on our [program admissions page](#) and then apply for admission to the major in February. Admission to the major is competitive and selective.
